RØROS NORWEGIAN BUTTER
Probably The Best Butter In The World!

RØROS BUTTER

WE TAKE OUR TIME WHEN MAKING THIS BUTTER. YOU CAN TELL BY ITS LUSCIOUSLY RICH TRUE-BUTTER TASTE.

We get our cream from small Norwegian organic family farms whose average herd size is 29 cows.

We add live cultures to this base cream then slowly churn in small batches to create a butter that is 86% beautifully rich butterfat, with no added water, color, or artificial flavorings. This handcrafted process creates a butter that is creamy, aromatic, and rich in flavor.

Our salted variety is made by gently kneading in flaky, hand-harvested Norwegian sea salt.

Premium RØROS Butter is rich, soft, and full of true butter flavor. In fact, we think our butter tastes like butter is supposed to taste.

RØROS has won several Norwegian awards for taste and is the preferred butter of Nordic Michelin Starred Chefs.
